Virginia Local Precertification/Prior Authorization List
Preferred Provider Organization (PPO)

Updated: July 1, 2026

Eligibility and benefits

Eligibility and benefits can be verified by accessing https://Availity.com or calling the number on the back of the member's identification card. Service preapproval is based on the member's benefit plan/eligibility when the service is reviewed/approved. Benefit plans vary widely and are subject to change based on the contract's effective dates. The care provider is responsible for verifying member eligibility and covered benefits.

Note: NOC and unlisted codes may not reflect that precertification is required, but depending on diagnosis or reimbursement level, codes may require medically necessary review upon claims submission.

Precertification / Prior Authorization Responsibility

The ordering or rendering provider of service is responsible for completing the prior authorization process.

PPO Plans: Prior approval for the services listed below is highly recommended. If not completed in advance, a pre-payment review of the claim will occur and may result in a denial of claim reimbursement.

Notification process

For non-urgent requests, submit all required clinical information 14 calendar days before the proposed service when possible. For institutional admissions, all facilities must notify the plan by the next business day or within 48 hours after the admission, whichever is earlier. Failure to notify the plan promptly may result in a financial penalty.

To request prior authorization with the Virginia plan

Access Virginia point of care through https://Availity.com, Monday through Saturday: 6 a.m. to midnight, Sunday: 6 a.m. to 1 p.m. and 8 p.m. to midnight ET:
- For maternity, medical, and surgical prior authorizations, call the number listed on the back of the member's ID card for authorizations, Monday through Friday, 8 a.m. to 5 p.m. ET.
- For mental health and substance use disorder prior authorizations, call 800-755-0851. Professionals are available 24/7.
