AveraHealthPlans.com

Starting on May 30, our health plan carrier is switching to a new portal to better support your needs.

As part of this transition, you will need to set up a new username and password with Avera MyChart. We urge you to do this as soon as possible to ensure your provider visits and services are billed to Avera Health Plans correctly

**Starting May 30:** You can register at AveraMyChart.org or by downloading the Avera MyChart app from the Apple App Store or Google Play.

What to Expect

- If you are an Avera health patient and an Avera Health Plans member you only need to sign up once.
- You will get a new member ID number and new prescription ID numbers. With this change, only the subscriber's name will be listed.
- You will have access to a digital member ID card on your portal. Please share your new member ID with non-Avera providers and pharmacies to ensure visits are submitted to insurance and prescription refills are not denied. The update will be automatic with Avera providers and pharmacies.

We are excited for this expanded service with Avera Health Plans. If you have questions, go to AveraHealthPlans.com/MyChart for FAQ and other resources.
