Medicaid Notification of Pregnancy Form

Please return completed document and supporting clinical information (e.g., labs, imaging, health risk assessment, etc.) via fax at **877-245-1704** or via email at **VAMCDMaternity@humana.com**. Timely pregnancy notification helps maximize the program benefit opportunities for our pregnant members. The program provides telephonic education and support to members from the onset of pregnancy through the first several weeks after birth, regardless of gestational age or risk status. We may provide additional support to members who have complications or request further follow-up. Member Services: **844-881-4482 (TTY: 711)**, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

Patient information
