Effective Date: 01/01/2026

Please Note: Refer to other PA Grids for applicable covered services that require PA.
PA Grids Include: Medical, Behavioral Health, ALTCS, and Pharmacy.

	Definition/Requirement
Codes not listed on PA grid	The absence of any code or service does NOT necessarily mean that the service is covered. Always refer to the AHCCCS Medical Policy Manual (AMPM) Chapter 300 for coverage issues. Https://www.azahcccs.gov/shared/MedicalPolicyManual Also refer to the AHCCCS Member Handbook and CMS Evidence of Coverage. For any AHCCCS surgical/nutrition codes that require a surgical consent or Certificate of Medical Necessity (CMN), prior authorization must be requested (ie: vasectomy/nutrition).
Priority Status	**Urgent:** When the enrollee or his/her physician believes that waiting for a decision under the standard time frame could place the enrollee's life, health, or ability to regain maximum function in serious jeopardy.

Priority Status	**Standard:** Determination must be made as expeditiously as the enrollees health condition requires, but no later than 14 calendar days after the date organization receives the request.
Inpatient Admissions	**Prior authorization** is required for any planned inpatient acute, post-acute care (SNF, IRF, LTAC) and inpatient behavioral health (detox, substance abuse, residential) admissions. **Emergent Inpatient Admissions** require notification to the Health plan. Please submit a face sheet within one business day of admission as a form of notification for an acute emergent admission to allow for authorization and a medical necessity review. **Emergency Department and Observation** level of care do not require notification or an authorization.

Participating primary care providers must obtain prior authorization for any referral of non-emergency care to a non-participating health care facility or provider. Participating specialists requesting service at a non-participating health care entity must also request prior authorization.
Age Considerations	Some codes only apply to AHCCCS members less than 21. Also, codes listed to require PA may not be covered for members over age 21.
PT/OT/Speech	No Auth Required for members <21 years of age (do not send to eviCore). Please note: limits may be in place for number of units billed per month and/or max amounts for plan. Please refer to the AHCCCS Medical Policy Manual for limitations related to any coverage limitations for therapies. PT/OT requires auth through eviCore for members >21 years of age. No auth required for speech therapy for any AHCCCs member, regardless of age.
