2026 Dean Health Plan by Medica Medicare

Prior Authorization and Notification Requirements

General Information

Dean Health Plan by Medica requires that providers obtain prior authorization/notification before rendering any services addressed below. This list contains prior authorization (PA) and prior notification requirements (PN) for inpatient and outpatient services. PA does not guarantee payment. To provide PA or notification, please complete the Prior Authorization Request Form with supporting clinical documentation as appropriate and submit by fax, provider portal or mail to Dean Health Plan by Medica.

If you do not find the information you need, please contact The Health Plan's Customer Service at (877) 232-7566.

Services must be provided according to the Medicare Coverage Guidelines, established by the Centers for Medicare & Medicaid Services (CMS), and are subject to review. According to the guidelines, all medical care, services, supplies and equipment must be medically necessary. You may review the Medicare Coverage Guidelines online at **https://www.cms.gov/medicare-coverage-database/search.aspx.** If CMS does not provide coverage guidelines for a specific service, Dean Health Plan will use MCG criteria or a Dean Health Plan by Medica Medical Policy.
