2025 Medica Medicare Prior Authorization and Notification Requirements

General Information

Medica requires that providers obtain prior authorization/notification before rendering any services addressed below. This list contains prior authorization (PA) and prior notification requirements (PN) for network providers for inpatient and outpatient services, as referenced in the Medica Provider Administrative Manual. PA does not guarantee payment. To provide PA or notification, please complete the appropriate **Prior Authorization Request Form**, **Inpatient Notification Form** or **Mechanical Circulatory Support Device Notification Form** with supporting clinical documentation as appropriate and submit by fax, e-mail or mail to Medica according to the return information noted on each form.

For services requiring medical prior authorization, post-service reviews will need to be submitted within 10 business days (pre-claim) for a medical necessity review. This means Providers will have 10 days post-service, pre-claim to submit a prior authorization for medical necessity reviews.

If any items on this list are submitted for payment without obtaining a PA, the related claim or claims *will be denied* as provider liability. Access the **Claim Adjustment or Appeal Request Form at medica.com**.

- For PA questions specific to behavioral health for all Medica members, please contact Medica Behavioral Health at 1-800-848-8327.
- *For Medica Prime Solution® Medicare members – PA does not apply*.
