Medica Prior Authorization (PA) and Notification Requirements

NOTE: Excludes all Medicare Products

General Information

Medica requires that providers obtain prior authorization/notification before rendering any services addressed below. This list contains prior authorization (PA) and prior notification (PN) requirements for network providers for inpatient and outpatient services, as referenced in the Medica Provider Administrative Manual. PA does not guarantee payment. Please submit PAs and notifications electronically on the secure provider portal. If you are unable to submit electronically, please complete the appropriate **Prior Authorization Request Form, Inpatient Notification Form** or **Mechanical Circulatory Support Device Notification Form** with supporting clinical documentation as appropriate and submit by fax, e-mail or mail to Medica according to the return information noted on each form.

For services requiring medical prior authorization, post-service reviews will need to be submitted within 10 business days (pre-claim) for a medical necessity review. This means Providers will have 10 days post-service, pre-claim to submit a prior authorization for medical necessity reviews.

If any items on this list are submitted for payment without obtaining a PA, the related claim or claims *will be denied* as provider liability. Access the **Claim Adjustment or Appeal Request Form at medica.com**.

- For PA questions specific to behavioral health for all Medica members, please contact Medica Behavioral Health at 1-800-848-8327.
- *For Medica Prime Solution® Medicare members – PA does not apply*.

Coding Considerations

The following codes are included below for informational purposes only, and are subject to change without notice. Inclusion or exclusion of a code does not constitute or imply member coverage or provider reimbursement. For Medicare Advantage and MSHO products additional criteria, such as LCD/NCD criteria, may apply.

Service Category	Policy Name	Current Procedural Terminology (CPT) Codes	Commercial products Individual & Family Business (IFB) products Medica Health Plan Solutions (MHPS)	Mayo Medical Plan (MMP) * PA requirement is waived for Mayo Clinic Providers	Fairview Health Services: • Fairview Health Service (Fairview employees) • Fairview Range Regional Health employees • Ebenezer Society employees	Duluth Joint Powers Enterprise (JPE)	City of Minneapolis	Medica Choice Care MSC+ Medica AccessAbility Solution (SNBC) Medica Choice Care PMAP Medica MinnesotaCare
